1:05 AM **me**: so
1:06 AM **Andrew**: so
me: got this chick who's working with us on graphic design
and she's got a mac
and she can't use the free trial of adobe without upgrading to Snow Leapord or whatever the fuck
gay-ass Mac OS names
anywho
Andrew: so torrent the full version
me: do you know of any free video editing programs?
oic
1:07 AM **Andrew**: hundreds - all for linux
me: faggot
Andrew: jsut get on bittorrent and look for "adobe" and "mac"
me: right, I'll see if I can talk her through that
but something tells me that she's going to run into some problems somewhere
Andrew: do it yourself, it needs to be burned to dvd anyway
she'll be impressed wiht your moxy and give you a hummer
at least, thats tbeen my experience
1:08 AM **me**: I can't get bittorent to even install on my laptop for some reason
and I obviously am not doing anything wrong myself
Andrew: utorrent doesnt install?
that doesnt sound right
bring it here
1:09 AM **me**: as I've installed bittorrent before
I'll do so by and by
will be moving in to Mirna's place on the 26th or 27th anyway
Andrew: thats next week
too late
me: you simply must come to our dinner party
Andrew: ill be drunker than a skunk
me: too late for what?
I see
1:10 AM **Andrew**: post sunday, ill be incommunicado for a few weeks while i pregame for the superbowl

33 minutes

1:43 AM **me**: gay gay gay
